Honour your Healthcare Hero

Oakville
Hospital
Foundation

Did someone go
above and beyond
for you during your
care at OTMH?

Honour your Healthcare Hero

It can be difficult to express gratitude to caregivers, staff, or volunteers for the comfort, needs, and relief they provided while you or your family received care at OTMH.

Some patients ask how they can show their thanks. Giving a gift in honour of your Healthcare Hero is one way to do so.

With your donation, we will share your gratitude with the individual, along with a small token to recognize the outstanding care they provided.

Jason's Journey

"The staff at OTMH have made a tremendous investment in my health and recovery. They've helped me to get where I am today - eating, sitting up and walking all on my own. The incredible healthcare team at OTMH is helping me recover so that one day soon, I'll be able to return home."

- Long-term OTMH patient

Oakville Trafalgar Memorial Hospital

In December 2015, OTMH moved to a new, state-of-the-art, 1.6 million square foot facility, designed to meet the growing healthcare needs of our community.

With 80% of patient rooms being single-occupancy and new programs such as the Cancer Care Clinic and expanded diagnostic imaging services, this new facility was designed with the needs of patients as its central focus.

Donations to the Oakville Hospital Foundation help fund the ever growing and changing healthcare needs of a much larger and more advanced hospital. Your generosity enables OTMH to invest in equipment and technology to detect illness earlier, reduce recovery time and improve the patient experience.
