**Comments from the Chair of the Finance, Risk, Audit and Investment Committee & the Chief Executive Officer**

Thanks to the incredible generosity of our donor community, and the tireless work of our volunteers and staff, the Oakville Hospital Foundation ended the 2014/15 fiscal year with total fundraising and investment revenues of \$17.8 million at a 15% expense ratio.

These funds were raised through a variety of means including major gifts, direct mail, staff and physician appeal, our special events (Golf Tournament, Candlelight Ball, Sunset Cinema) and support from numerous community partners. In addition, we received investment revenue through our endowments.

We had \$15.1 million in net revenue available this year to transfer to the hospital for equipment purchases for the new Oakville Hospital, in addition to the \$24 million transferred this year that was raised in previous years. Since the beginning of the campaign \$51.9 million has been granted toward the equipment needs of the new Oakville Hospital.

We are grateful for the many individuals and organizations we partner with in the community. Our success, and the Hospital's, can only be achieved with their support.

We are extremely grateful as well to our Board members, Campaign volunteers and community ambassadors whose leadership ensures our mission is front of mind in the community.

Thank you.

## Independent Auditor's Report

---

### To the Members of Oakville Hospital Foundation

We have audited the accompanying financial statements of Oakville Hospital Foundation, which comprise the statement of financial position as at March 31, 2015 and the statements of changes in net assets, operations and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Oakville Hospital Foundation as at March 31, 2015 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

# *Oakville Hospital Foundation*

## *Notes to Financial Statements*

March 31, 2015

---

### **1. Nature of Operations and Summary of Significant Accounting Policies**

#### **Nature and Purpose of Organization**

The Oakville Hospital Foundation ("Foundation"), formerly the OTMH Charitable Corporation, is related to the Halton Healthcare Services Corporation ("HHS"). According to the Foundation's by-laws, all resources of the Foundation must be provided to or used for the benefit of the Oakville site of HHS. The net revenues from fundraising activities support the purchase of equipment. The Foundation is incorporated, without share capital, under the Canada Corporations Act and is a registered charity under the Income Tax Act and, as such, is exempt from income taxes.

#### **Revenue Recognition**

The Foundation follows the deferral method of accounting for contributions. All donations are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Parking and Work-Fit Total Therapy revenues are recognized when the service is provided. Investment income is recognized when earned.

#### **Contributed Services**

A substantial number of volunteers contribute a significant amount of their time each year. Because of the difficulty of determining the fair value, contributed services are not recognized in the financial statements.

#### **Investments**

Investments are recorded at fair value and the net increase or decrease in the year is recorded as income. The income consists of both investment income that is received and any unrealized increase or decrease in the fair value of these investments. The investments are managed in accordance with the Foundation's Statement of Investment Objectives and Policies.

#### **Capital Assets**

Purchased capital assets are recorded at cost less accumulated amortization. Contributed capital assets are recorded at fair value at the date of contribution. Repairs and maintenance costs are charged to expense. When a capital asset no longer contributes to the Foundation's ability to provide services, its carrying amount is written down to its residual value.

Capital assets are amortized on a straight-line basis over a period ranging from five to ten years.

#### **Internally Restricted Funds**

The capital base is invested and intended to be held in perpetuity. Investment earnings and capital are available for use by the Foundation, at the discretion of the Foundation's Board of Directors.

#### **Externally Restricted Fund**

The externally restricted fund is held by the Foundation and can only be disbursed upon approval of the Board of Directors of HHS.

*Oakville Hospital Foundation*  
*Notes to Financial Statements*

March 31, 2015

---

**1. Nature of Operations and Summary of Significant Accounting Policies**  
**(continued)**

**Donor Designated Funds**                      The donor designated funds are to be used for specific purposes as specified by the donor.

**Donor Restricted Endowment Fund**                      The fund balance represents separate donor restricted endowment funds. The capital base is invested and intended to be held in perpetuity. Investment income is available for distribution at the discretion of the Foundation's Board of Directors, and in accordance with the donors instructions.

**Use of Estimates**                                      The preparation of financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future.

**Financial Instruments**                                      Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, investments and investments for endowment and donor restricted endowment are reported at fair value, all other financial instruments are reported at cost or amortized cost less impairment, if applicable. Financial assets are tested for impairment when changes in circumstances indicate that asset could be impaired. Transaction costs on the acquisition, sale or issue of financial instruments are charged to the financial instruments for those measured at amortized cost. Unless otherwise noted, it is management's opinion that the Foundation is not exposed to significant interest, currency or credit risks.

Risks arising from financial instruments

Market risk

The Foundation is subject to market risk with respect to its investments. The values of these investments will fluctuate as a result of changes in market prices, interest rate changes, foreign exchange changes and credit risk changes affecting the value of the investments. The Finance, Risk, Audit and Investment ("FRAI") Committee of the Foundation Board oversees and manages market risk in accordance with the Foundation's Statement of Investment Objectives and Policies.

Equity funds - Canadian	4,167		4,131
Equity funds - Global	5,464		4,162
	\$ 15,209	\$	16,626

Funds are invested in various fixed income and equity funds. All funds are managed by third party investment managers. The Foundation holds funds in the Oakville Community Foundation ("OCF") pooled fund. Of the \$15,209, the amount held by OCF at March 31, 2015 was \$15,208 (2014 - \$13,661). These investments are overseen by the FRAI Committee of the Foundation's Board and subject to adherence to the Long Term Investment Policies and Procedures.

**3. Investment Income**

	2015		2014
Investment income	\$ 1,834	\$	1,857

**Notes to Financial Statements**

(expressed in thousands)

**For the year ended March 31, 2015**

**6. Endowment and Restricted Funds**

The Foundation has reported all investment income and undesignated donations and bequests in the Statement of Operations. In accordance with the Foundation's Statement of Investment Objectives and Policies, \$526 of investment income (2014 - \$609) has been included in the Internally Restricted Fund. The Endowment and Restricted Funds are largely held in the Oakville Community Foundation ("OCF") pooled fund and the spending policy of OCF has therefore been adopted. The policy includes a provision to retain in the Donor Restricted Endowment and Internally Restricted Funds, for operating and granting purposes, investment income which typically grants at 3.5% annually. Additionally, the Foundation is the recipient of investment income from OCF fundholders, disbursements from which are reflected in the appropriate income and expense categories in the year they are received and disbursed.

**10. Commitments**

The Foundation made a commitment to grant \$98,300 to HHS for equipment purchases for the New Oakville Hospital. At March 31, 2015, \$51,925 (2014 - \$16,066) has been granted to date.

**11. Due to Halton Healthcare Services Corporation**

During the year ended March 31, 2015, the Foundation had several transactions with HHS. These transactions are in the normal course of operations and include reimbursements of funds disbursed on the Foundation's behalf. These amounts are repaid on a cost recovery basis.

The amount due to HHS is non-interest bearing and will be repaid subsequent to year-end.
