Oakville  
Hospital  
Foundation

**Comments from the Chair of the FRAI Committee & the Chief Executive Officer**

The Oakville Hospital Foundation ended the 2016/17 fiscal year with total fundraising revenue of \$11,483,607, thanks to the ongoing generosity of our donor community, and the dedication of our volunteers and staff. We also realized \$1,835,640 of net investment income resulting in net revenue (after expenses) of \$10,620,968.

This fiscal year, 8,571 donors contributed to our fundraising programs which consist of major gifts, direct mail, telemarketing, a staff and physician appeal, special events, tribute giving and community partner events. As a result, the Foundation was delighted to transfer \$8,818,969 in donated funds and \$149,107 in ancillary net revenue to Oakville Trafalgar Memorial Hospital in fiscal year 2016/17. Of this amount, \$793,801 was designated outside of the equipment list and the remainder funded equipment.

We are grateful for the many individuals, families and organizations we partner with in the community, as our success, and the Hospital's, can only be achieved with their support.

Thank you,

Betty Ann Jarrett, CPA, CA

## Independent Auditor's Report

---

### To the Members of Oakville Hospital Foundation

We have audited the accompanying financial statements of Oakville Hospital Foundation, which comprise the statement of financial position as at March 31, 2017, and the statements of changes in net assets, operations and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Foundation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Oakville Hospital Foundation as at March 31, 2017, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

*Oakville Hospital Foundation*  
*Notes to Financial Statements*

March 31, 2017

---

**1. Nature of Operations and Summary of Significant Accounting Policies**

**Nature and Purpose of Organization**

The Oakville Hospital Foundation ("Foundation"), formerly the OTMH Charitable Corporation, is related to the Halton Healthcare Services Corporation ("HHSC"). According to the Foundation's by-laws, all resources of the Foundation must be provided to or used for the benefit of the Oakville site of HHSC. The net revenues from fundraising activities support the purchase of equipment. The Foundation is incorporated, without share capital, under the Canada Corporations Act and is a registered charity under the Income Tax Act and, as such, is exempt from income taxes.

**Revenue Recognition**

The Foundation follows the restricted fund method of accounting for contributions. All donations are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Work-Fit Total Therapy revenues are recognized when the service is provided. Investment income is recognized when earned.

**Contributed Services**

A substantial number of volunteers contribute a significant amount of their time each year. Because of the difficulty of determining the fair value, contributed services are not recognized in the financial statements.

**Investments**

Investments are recorded at fair value and the net increase or decrease in the year is recorded as income. The income consists of both investment income that is received and any unrealized increase or decrease in the fair value of these investments. The investments are managed in accordance with the Foundation's Statement of Investment Objectives and Policies.

**Capital Assets**

Purchased capital assets are recorded at cost less accumulated amortization. Contributed capital assets are recorded at fair value at the date of contribution. Repairs and maintenance costs are charged to expense. When a capital asset no longer contributes to the Foundation's ability to provide services, its carrying amount is written down to its residual value.

Capital assets are amortized on a straight-line basis over a period ranging from five to ten years.

**Internally Restricted Funds**

The capital base is invested and intended to be held in perpetuity. Investment earnings and capital are available for use by the Foundation, at the discretion of the Foundation's Board of Directors.

*Oakville Hospital Foundation*  
*Notes to Financial Statements*

March 31, 2017

---

**1. Nature of Operations and Summary of Significant Accounting Policies**  
(continued)

**Capital and Donor Designated Funds**

The capital and donor designated funds are to be used for specific purposes as specified by the donor.

**Donor Restricted Endowment Fund**

The fund balance represents separate donor restricted endowment funds. The capital base is invested and intended to be held in perpetuity. Investment income is available for distribution at the discretion of the Foundation's Board of Directors, and in accordance with the donors instructions.

**Use of Estimates**

The preparation of financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future.

**Financial Instruments**

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, investments and investments for endowment and donor restricted endowment are reported at fair value, all other financial instruments are reported at cost or amortized cost less impairment, if applicable. Financial assets are tested for impairment when changes in circumstances indicate that the asset could be impaired. Transaction costs on the acquisition, sale or issue of financial instruments are charged to the financial instruments for those measured at amortized cost. Unless otherwise noted, it is management's opinion that the Foundation is not exposed to significant interest, currency or credit risks.

Risks arising from financial instruments

Market risk

The Foundation is subject to market risk with respect to its investments. The values of these investments will fluctuate as a result of changes in market prices, interest rate changes, foreign exchange changes and credit risk changes affecting the value of the investments. The Finance, Risk, Audit and Investment ("FRAI") Committee of the Foundation Board oversees and manages market risk in accordance with the Foundation's Statement of Investment Objectives and Policies. These risks have not changed from the prior year.

**2. Investments for Endowment and Restricted Funds**

		2017		2016
Cash and short-term investments	\$	1,074	\$	404
Fixed income funds		4,226		4,664
Equity funds - Canadian		3,756		3,313
Equity funds - Global		6,632		6,416
	\$	15,688	\$	14,797

Funds are invested in various fixed income and equity funds. All funds are managed by third party investment managers. The Foundation holds funds in the Oakville Community Foundation ("OCF") pooled fund. At March 31, 2017, all the funds were held by the OCF. These investments are overseen by the FRAI Committee of the Foundation's Board and subject to adherence to the Long Term Investment Policies and Procedures.

**3. Investment Income (Loss)**

		2017		2016
Investment income (loss)	\$	2,019	\$	(208)
Investment expenses		(183)		(179)
Net income (loss) from investments	\$	1,836	\$	(387)

(expressed in thousands)

For the year ended March 31, 2017

**6. Endowment and Restricted Funds**

The Foundation has reported all investment income and undesignated donations and bequests in the Statement of Operations. In accordance with the Foundation's Statement of Investment Objectives and Policies, \$652 of investment income (2016 - \$89 loss) has been included in the Internally Restricted Fund. The Endowment and Restricted Funds are held in the Oakville Community Foundation ("OCF") pooled fund and the spending policy of OCF has therefore been adopted. The policy includes a provision to retain in the Donor Restricted Endowment and Internally Restricted Funds, for operating and granting purposes, investment income which typically grants at 3.5% annually. Additionally, the Foundation is the recipient of investment income from OCF fundholders, disbursements from which are reflected in the appropriate income and expense categories in the year they are received and disbursed.

	Internally Restricted	Donor Restricted Endowment	Total 2017	Total 2016

Parking operations	-	540
Total Expenses	<u>1,105</u>	<u>1,614</u>
Net Ancillary Revenue	<u>\$ 149</u>	<u>\$ 4,226</u>

Effective April 1, 2016, all revenues and expenses associated with the parking operations within the Foundation were transferred to HHSC and are no longer reflected in the Foundation's financial results.

**10. Commitments**

The Foundation made a commitment to grant \$97,300 to HHSC for equipment purchases for the New Oakville Hospital. At March 31, 2017, \$71,315 (2016 - \$63,290) has been granted.

**11. Due to Halton Healthcare Services Corporation**

During the year ended March 31, 2017, the Foundation had several transactions with HHSC. These transactions are in the normal course of operations and include reimbursements of funds disbursed on the Foundation's behalf. These amounts are repaid on a cost recovery basis.

The amount due to HHSC is non-interest bearing and will be repaid subsequent to year-end.

**12. Subsequent Events**

Effective June 1, 2017, the Work-Fit Total Therapy Centre operations will be under the management of the Oakville Hospital Volunteer Association and the related revenues and expenses will no longer be reflected in the Foundation's financial results. During fiscal 2017, revenue of \$1,254 was generated with associated expenses of \$1,105.
