Special Care Nursery

The expanded Special Care Nursery at Oakville Trafalgar Memorial Hospital has been designed to better support to support newborn and family-centered care. The Special Care Nursery provides space to care for our tiniest and youngest patients who are born prematurely or who need special care.

The Special Care Nursery features 10 bassinets in a family-friendly environment that offers more space and privacy. The department also includes a 'care by parent' room where parents of infants in the Special Care Nursery can stay overnight with their baby before going home. Proceeds from Sky of Stars directly funds the life-saving equipment needs of Special Care Nursery.

Celebrate a Precious Moment in Time

The birth of a baby is a very special time – a new start to a bright future filled with fresh hopes and dreams. What better way to commemorate the birth of your baby than naming a star on our **Sky of Stars Baby Wall** located in the Maternal Child Unit.

A Perfect Gift to Mark the Miracle of Life

For a donation of \$250 or more, you can mark this joyous occasion with a star bearing your baby's name and birth date to be placed in our magical sky. It's a great way for beaming parents, grandparents, aunts, uncles, and friends to show their delight at the arrival of a precious baby. Create a lasting legacy for your child by having his or her name honoured on our Baby Wall.

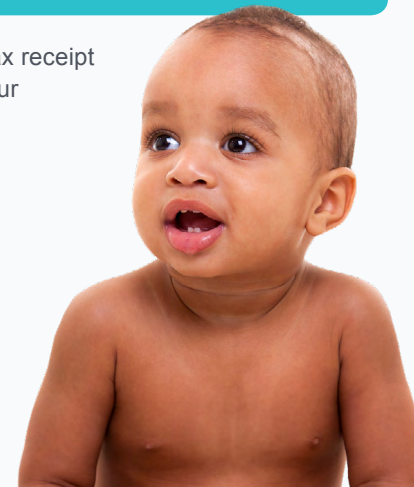

A Cherished Contribution that Makes a Difference

Your gift will not only recognize a special baby in your life, it will also make a difference in the lives of future newborns and families. All proceeds raised will help fund medical equipment for the Maternal Child Program such as infant warmers, isolettes, fetal monitoring equipment, and much more.

Visit us online to order your star today:
